New Book Reminds Readers: *Don't Be Donny*

Bullying is tackled in the new, fully illustrated children's book, *Don't Be Donny*, by Jackson Boomershine.

Donny is a school bully who makes all the wrong decisions. Readers are given the opportunity to learn from Donny's mistakes since his decisions always backfire on him (often in humorous ways).

Boomershine is a first-time author who loves cartoons and movies. Writing and illustration are two of his artistic passions.

Don't Be Donny is available in softcover (ISBN) from Virtualbookworm.com, Amazon.com, and Barnesandnoble.com. The book can also be ordered from most bookstores around the United States and United Kingdom. More information can be found at the author's official website, boomershinebooks.com.
